

Development Counts- Continuing Education Workshops 2018

Workshop Location: Sage Center Atlanta, 2849 Henderson Mill Rd, Suite B. Atlanta, GA 30341

Development Counts has been approved by NBCC as an Approved Continuing Education Provider, ACEP # 6633. Development Counts is solely responsible for all aspects of the programs. Development Counts' supports licensure renewal for mental health professionals licensed by the GA Composite Board of Licensed Professional Counselors, Social Workers, and Marriage & Family Therapists. Development Counts also supports renewal of certain NBCC certifications. If you are attending an event and are not licensed in GA, please verify that this content will support your renewal hours.

Each workshop is \$145 the week of, \$135 less than 2 weeks in advance & \$125 if you register more than 2 weeks in advance.

1. The Psychotherapy Supervisors' Process: Integrating Relationship, Context and Theory

(6 Core CE Hours for Counselors, 6 Related CE Hours for LCSW's and MFT's)

Date: 10/26/18 **Time:** 10:00am - 5:30pm

The purpose of this workshop is to support the supervisor's ability to integrate four vital components of supervision: the intellectual task of attending to theory, the experiential task of applying techniques, the relational task of utilizing the self as a tool, all while attending to the contextual climate of supervision and therapy. The objectives include: (1) exploring the elements in the supervisory system- the client, the supervisee and the supervisor, (2) utilizing the supervisory dimensions- theory, method, process and self, and (3) the effective use of live supervision and/or co-therapy with supervisees.

2. Clinical Supervision in Group Form- Dynamics, Development and Process

(6 Core CE Hours for Counselors, 6 Related CE Hours for LCSW's and MFT's)

Dates: 9/28/18 **Time:** 10:00am - 5:30pm

This workshop enhances the Psychotherapy Supervisors skills related to providing clinical supervision in group format. Supervisors will enhance their knowledge of group dynamics, group development and group process. Objectives include: (1) defining group supervision and exploring its benefits, (2) discussing the challenges in group supervision, (3) exploring the skill necessary for group leaders, and (4) attending to the needs of individual supervisees within the group.

3. Evaluation and Remediation in Counselor Supervision an Ethical Imperative

(6 Ethics and/or Core CE Hours for Counselors; 6 Ethics or Related CE Hours for LCSW's and MFT's)

Dates: 11/30/18 **Time:** 10:00 am - 5:30 pm

The purpose of this workshop is to address the vital component of supervision that involves evaluation of supervisees counseling skills and professional competencies and the ethical implications. It also addresses the necessity of goal setting and skill improvement for competencies where there are deficits. The objectives include: (1) exploring the ethical purpose of evaluation, (2) understanding the need for competency based assessment, (3) identifying evaluation tools and methods, and (4) strategies for improving skill sets and professional deficits.

4. Clinical Supervision Ethics: Gatekeeping, Liability, Cases, and Law

(6 Ethics and/or Core CE Hours for Counselors; 6 Ethics or Related CE Hours for LCSW's and MFT's)

Dates: 3/23/18 **Time:** 10:00 am - 5:30 pm

The purpose of this workshop is to examine the essential role that clinical supervisors play as gatekeepers to the profession of mental health. This workshop includes an examination of ethical supervisory practice, liability issues, and laws relevant to supervision. Objectives include: (1) providing a framework for the ethical and effective practices of clinical supervisors, (2) addressing the key components to minimizing liability risks as it relates to direct and vicarious liability, and (3) exploring applicable laws and legal cases that impact the supervisory process.

5. Providing Guidance: A Counseling Supervisor's Ethical Responsibility to Follow GA LPC Licensing Laws

(6 Ethics and/or Core Hours for Counselors; 6 Ethics and/or Related CE Hours for LCSW's and MFT's)

Date: 9/14/18 **Time:** 10:00 am - 5:30 pm

The purpose of this workshop is to increase participants' knowledge and awareness of the GA Composite Board's licensing regulations for LAPC's & LPC's. The objectives will include: (1) understanding licensure and supervisor eligibility at different levels of education, (2) exploring the relationship between the NBCC & LPC process in GA, and (3) the provision of effective guidance for supervisees regarding the licensure process. **(Please bring your own copy of board rules)**

6. Ethical Considerations in Clinical Supervision & Ethical Consideration in Telemental Health Supervision

(6 Ethics and/or Core Hours for Counselors; 6 Ethics and/or Related CE Hours for LCSW's and MFT's)

Date: 4/13/18 **Time:** 10:00 am - 5:30 pm (Two- 3 hour ethics certificates will be issued)

The 1st half of this workshop addresses ethics in the delivery of Clinical Supervision in Counseling and Psychotherapy. The ACA's division of Counselor Education and Supervision's ethical guidelines, case studies, best practices. The 2nd half of the workshop content will focus on telemental health supervision and how supervisor's can expand their competencies to ethically supervise counselors working across distance modalities, as well as address the technological engagement with supervisees (recordings, telephone calls and digital exchange of information in both therapy and supervision).

7. A Relational Model for Clinical Supervision: Knowledge, Power and Authority

(6 Core CE Hours for Counselors; 6 Related CE Hours for LCSW's and MFT's)

Date: 2/16/18 **Time:** 10:00 am - 5:30 pm

This workshop presents a psychodynamic or relational approach in the practice of clinical supervision. It explores how supervisors and supervisees co-construct meaning in the treatment relationship and the supervisory relationship. It also addresses issues related to power and authority, along with parallel process as an informative tool for clinical supervisors.

8. Structure Matters: The Tasks of Effective Clinical Supervision

(6 Core CE Hours for Counselors; 6 Related CE Hours for LCSW's and MFT's)

Date: 7/27/18 **Time:** 10:00 am - 5:30 pm

This workshop addresses the tasks necessary to provide intentional comprehensive clinical supervision. The objectives include: (1) identifying a supervision model for practice, (2) goal setting with supervisees, (3) supervisory agreement, (4) problem solving and relationship building, and (5) evaluation methods and techniques. Participants leave with a CD-ROM with supervision-related forms.

9. Multicultural Competencies in Counselor Supervision: An Ethical Mandate

(6 Ethics and/or Core Hours for Counselor; 6 Ethics and/or Related CE Hours for LCSW's and MFT's)

Date: 8/24/18 **Time:** 10:00am - 5:30pm

The purpose of this workshop is to address multicultural competencies in counselor supervision and its ethical mandate by the codes of ethics in Mental Health Professions. The objectives are: (1) defining multicultural counseling, (2) defining multicultural supervision, (3) understanding the supervisees multicultural counseling competence, and (4) exploring the dynamics related to cross cultural phenomenon.

10. Supervising Counseling Interns: Selection, Training, Competency & Ethics

(6 Ethics and/or Core Hours for Counselor; 6 Ethics and/or Related CE Hours for LCSW's and MFT's)

Date: 11/2/18 **Time:** 10:00 am-5:30 pm

The purpose of this workshop is to enhance the development and provision of internship supervision. The objectives include (1) selection (relationships with graduate programs); (2) orientation/training; (3) intern competencies & remediation; (4) supervisor competencies; (5) ethical practice.

11. Reflective Practice in Clinical Supervision: Incorporating Constructivist Principles

(6 Core CE Hours for Counselors; 6 Related CE Hours for LCSW's and MFT's)

Date: 6/22/18 Time: 10:00am - 5:30pm

The purpose of this workshop is to explore the constructivist framework and its benefits as a supervision model. A reflective mindset is among the central components to this supervision model.

The intent is to promote counselors who demonstrate flexibility and openness. The objectives are: (1) to examine constructivist theory (2) to explore the process and methods in constructive supervision; and (3) examine the activities and assessment tools used in the reflective model.

12. Positive Psychology in Clinical Supervision

(6 Core CE Hours for Counselors; 6 Related CE Hours for LCSW's and MFT's)

Date: 5/18/18 Time: 10:00am - 5:30pm

The purpose of this workshop is to hone our ability to focus on strengths; what is going right and expanding

on those counseling and professional skill sets. This workshop's focus is on solutions instead of problems. The objectives are: (1) to define positive supervision; (2) to learn to explore goals that incorporate present and developing competencies; (3) to map supervision plans that include progress and relationship considerations.

13. Ethical Considerations in the Practice and Delivery of Telemental Health Supervision

(3 Core or Ethics CE Hours for Counselors; 3 Related CE Hours for LCSW's and MFT's)

Date: 4/13/18 at 2:00 pm

Fee: \$75.00 (\$85.00 the week of the workshop)

The purpose of this workshop is to explore telemental health supervision and how supervisor's can expand their competencies to ethically supervise counselors working across distance modalities, as well as address the technological engagement with supervisees (recordings, telephone calls and digital exchange of information in both therapy and supervision). **Objectives include:** (1) defining telemental health supervision; (2) practice implications and methods in telemental health supervision.
